

Announcement of King Mongkut's University of Technology North Bangkok
On Guidelines for the University Staff Working at KMUTNB Rayong Campus
And Research and Human Resource Training Center for Industry
Due to the spread of coronavirus 2019 (COVID-19) in Rayong Province

As the spread of coronavirus 2019 (COVID-19) was reported on 27 December 2020, in order to monitor and prevent the wider spread of coronavirus 2019 (COVID-19), the university, by virtue of King Mongkut's University of Technology North Bangkok's Act, deems it appropriate to specify guidelines for staff who work at KMUTNB Rayong Campus and Research and Human Resource Training Center for Industry as follows:

1. The supervising Vice President or relevant section head shall consider assigning personnel to work at KMUTNB Rayong Campus and Research and Human Resource Training Center for Industry, Rayong Province, in alternation with working from home as convenient to the work characteristics, from 28 December 2020 – 15 January 2021, or until the next announcement specify otherwise. Nevertheless, the continuity of the operation has to be maintained and the Vice President in charge or relevant section head shall monitor and follow up the work performance of personnel.

2. The personnel who work at KMUTNB Rayong Campus and Research and Human Resource Training Center for Industry, Rayong Province, have to observe the protective measures against the spread of coronavirus 2019 (COVID-19) as specified in the Governor of Rayong Province's order No. 18399/2020 on the urgent measures for preventing and limiting the spread of coronavirus 2019 (COVID-19) and guidelines specified by the Ministry of Public Health. The personnel have to avoid traveling to or doing any activities in the crowded or high risk areas, strictly observing social distancing measures and protective measures against the spread of coronavirus 2019 (COVID-19).
