

**Announcement of King Mongkut's University of Technology North Bangkok
On the Suspension of Freshmen Welcoming Activities
Due to the Outbreak of Coronavirus Disease 2019 (COVID-19)**

As the current situation regarding the coronavirus 2019 both in Thailand and worldwide has a tendency to escalate more rapidly, the university deems it appropriate to issue this announcement in order to decrease the risk of being infected by coronavirus in KMUTNB students.

By the virtue under Section 31 (3) of King Mongkut's University of Technology North Bangkok Act B.E. 2550, the freshmen welcoming activities for academic year 2020 arranged by faculties and the university shall be canceled in order to prevent and decrease the spread of coronavirus 2019 (COVID-19) or other diseases. In case that any faculties or students violate the university's policy and arrange such activities, it can be regarded as a disciplinary offence and the university will proceed to implement related rules and regulations.

This announcement takes effect from now or until it is modified.

Announced on 27 March 2020
