Announcement of the KMUTNB's Committee on Prevention and Monitoring of Coronavirus Disease  
On the Dissemination of Misinformation through Social Media  
regarding the Spread of Coronavirus Disease 2019 (COVID-19)

---

As the information was disseminated through social media (Line application) and it claimed that one of KMUTNB's student contracted coronavirus 2019 (COVID-19), the university has already verified the information and has found that it is baseless. Accordingly, the university requests cooperation to cease disseminating that information. The university, currently, is seeking for a person who spread false information and will take legal action.

Announced on 4 March 2020

*W. Chaturapanich*

Asst. Prof. Worawit Chaturapanich  
Vice President for Administration

The Chairman of the KMUTNB Committee  
on Prevention and Monitoring of Coronavirus Disease 2019
